Vehicle Description

This SUV Crossover is absolutely mint inside and out, with extremely low km for the model year. A 6 seater that has a slight mini van feel with a super sleek look. It's fully loaded with heated, black leather seats, heated steering wheel, a huge power panoramic sunroof and tons more. This vehicle will definitely not disappoint! The 2011 Mercedes-Benz R-Class comes standard with stability and traction control, antilock brakes, active front head restraints, front-and second-row side airbags and side curtain airbags for all three rows. Mercedes' "mbrace" emergency telematics system is also standard. The Insurance Institute for Highway Safety crash testing, gave the R-Class the highest rating of "Good" for frontal-offset and side crash protection.

A no-charge, 3 month / 5000 km Lubrico warranty is included, a \$499 value. Up to 4 years / 90,000 km can also be purchased for an additional fee.

On our optional extended warranties, you'll save up to 1/2 the cost of regular pricing.

An admin fee of \$195 will be added - quite possibly the lowest in the province. No other hidden fees and dealer markups. That's the DRIVERS Difference.
