Vehicle Description

Very rare 4Runner TRD Off-Road Premium! Fully loaded, brand new tires.

Beautiful Softex vegan-leather black interior with red stitching, sunroof, and all the options. Rugged yet luxurious. Features that distinguish a 4Runner TRD Off-Road from a standard 4Runner include a factory-installed Kinetic Dynamic Suspension System (KDSS), which electronically disconnects the anti-roll bars to free up more wheel articulation during rocky excursions. It comes standard with four-wheel drive, a locking differential, Crawl Control, and the Multi-Terrain Select system to help you get through the toughest trails.

On the road, the big surprise is how smooth the 4Runner TRD is, offering a comfortable ride even with the aggressive tires.

Includes 14,000 km / Aug.2024 extended warranty. Up to 4 years / 90,000 km can also be purchased for an additional fee.

An admin fee of \$195 will be added.
